Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Applicant's Reply filed 11/22/05 to the Restriction/Election Requirement mailed 11/02/05 is not fully responsive, because as indicated clearly on page 3 "Applicant is required under 35 U.S.C. 121 to elect a single disclosed species for prosecution on the merits", in particular, in light of the election of the Group II invention drawn to an apparatus, Species 1, Species 2 or Species 3 of the apparatus as delineated on page 3. Because the above-mentioned Reply appears bona fide, Applicant is given ONE(1) MONTH OR THIRTY (30) DAYS from the mailing date of this Notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. This shortened statutory period of reply supersedes the time period set in the prior office action. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 C.F.R. 1.136(a).
